To Whom It May Concern,

iHRME is pleased to announce that it has engaged in a relationship with Emergence Growth from Johannesburg, South Africa to deliver iHRME's premier Certification Programs in Africa.

Emergence Growth is Africa's premier Human Capital and Reward Consultancy, with offices in a number of African countries. Emergence will serve as iHRME's only Preferred Training Provider in Africa for the programs below;

- ▶ Certificate in Compensation Management (CCM)
- ▶ The Certified Global Compensation Professional (CGCP)

The courses are designed to address and convey leading edge practices in various areas of Human Resource Management and to help attendees gain a command of the relevant body of knowledge that has been defined by various global bodies including the World Federation of People Management Associations (WFPMA), the world's peak HR body.

Through this relationship both organizations will continue to provide professionals with learning experiences, concepts, skills and procedures that will help them in developing and leveraging human expertise and for improving both personal and organizational performance, given the growing need for HR professionals in the World. As an exclusive provider with iHRME, we are confident of Emergence's expertise, knowledge, experience and ability to deliver our Certified Professional Programs.
